English:

Year One- Sequence sentences to form short narratives. Use capital letters for names of people, places and days of the week. Become more consistent at using entry and exit stroke when writing. Continue to learn how to spell common exception words for year one (See weekly focus areas in red book that children bring home each Monday).

Reception –Become secure with knowing and using all initial letter sounds. Learn next set of letter sounds – sh ch th ee oo oo ai ay. Begin to read and write C.V.C. (consonant, vowel, consonant)words. Regularly sound out words to write simple sentences.

Using mark making skills/writing in range of play contexts.

Maths:

Year One- Please see weekly focus areas in red book.

Reception - Count, read and write numbers to 20. Use addition and subtraction in practical play activities, begin to record addition and subtraction problems using one digit numbers.
