

Year 5 Homework

Spring Second Half Term 2018

Weekly homework – the expectation is that the following will be completed every week:

- Spellings – tested on Fridays
- Reading 4-5 times a week either independently or to an adult
- Learning/revising times tables – tested on Wednesdays
- One activity chosen from the selection below – to be handed on **Mondays**

To support year 6 with the transition to secondary school and also to start their SATs preparation, the year 6s will be receiving additional homework each week. This will be set on and due in on **Mondays**.

Half termly homework

Please see below a range of homework activities. The expectation is that you choose one activity to complete each week. **The 'green' activities must be chosen within the half term.** The handing in day has now changed to Monday. If you find one week is not enough for an activity, then please let me see your work in progress each Monday. Obviously you may complete more than one activity each week.

The best homework goes on the 'Window of Wonderful homework' – your work should always reflect your best efforts.

Use a Venn diagram to compare 2 or 3 different European countries.		Imagine you have been on holiday to a country in Europe – write a diary entry describing the sights you have seen.	
Pick a country from Europe – create a fact file of information	Label a map with the countries of Europe	Cook a traditional dish from a country in Europe.	
			
Create a PowerPoint about a European artist.	Pick a word e.g. Hello. How many European languages can you translate the word into?	Write a biography of a person you admire from Europe.	
	There are 12 different currencies used in Europe (see the reverse of this sheet). Produce a poster from a travel agents showing how much a British Pound is worth in each currency.		
Make a model of a famous European landmark.			

If you need any help with any of the tasks, please ask.
