

Compton All Saints C of E Primary School

Friday 9th June 2017

Dear Parents and Carers

I am writing with a mixture of sad and happy news: Miss Hewitt has obtained a new deputy head role in a larger school and so will be leaving Compton at the end of this term.

This has all happened quite suddenly - just before half term in fact - but I know you will want to join me in congratulating Miss Hewitt on taking this step forward in her career. It is exactly the right job for her and the sort of post she has been looking for for some time. We have been extremely fortunate to have retained such a skilled and committed teacher for as long as we have.

I know that those of you with children in her class (or due to be) will be anxious about what will happen in September. An advert has been placed on the Hampshire website today and I am optimistic that we shall be able to find a talented teacher who can build on the excellent work Miss Hewitt has done. Compton not only has a great reputation for educating and caring for its children but also for being a stimulating and rewarding place to work.

Please note that due to the school's financial situation the advert is for a class teacher and not for a deputy head. Miss Hewitt's leadership duties will be shared amongst existing members of staff, including myself.

September will be different and change can be difficult. It's especially noticeable in a small school where everyone feels like family. It is at these times, however, that the supportive relationships within our close-knit community can be most beneficial. The Governors and I look forward to your continued goodwill and trust in the knowledge that we shall continue to strive for the best education and care for everyone involved with our school.

If you have any concerns or questions please do contact me via the school office on 01962 712035 or via email: adminoffice@compton.hants.sch.uk

Yours faithfully

Allison Driver
