

COMPTON ALL SAINTS' C OF E PRIMARY

Newsletter 21st December

Hello everyone

I hope you are well and not already exhausted by all the preparations for Christmas. It's so hectic, it's easy to rush past opportunities to 'stand and stare' and appreciate what a special time of year this is.

Hopefully the nativity production in church last Wednesday gave those who attended the chance to do just that. We are so fortunate to be able to celebrate the Christmas story in such a beautiful church. Huge thanks and praise must be heaped on children and staff alike for such a super performance. Miss Carter and Mrs Cooke deserve a special mention, however, for all their hard work in casting and directing the youngest and newest children in the school.

The carol service also felt very special and I think those that were able to attend would agree that the children from Falcons class who did the readings excelled themselves. The carol singing was lovely as well and it was a wonderfully traditional way to end the term.

I know that you have already been informed of the fantastic work the CSA has done this term in raising funds for school as well as developing the social aspect of school life. Thank you for your support for their endeavours; we genuinely would not be able to offer such a broad curriculum to your children without it.

The Ofsted inspection report is expected early in the New Year; they don't issue them during school holidays. As soon as the final version is received I shall let you know.

I hope you all have a wonderful Christmas and wish you all the best for a happy and healthy 2018.
