

# Homework –Autumn First Half Term 2018

**Weekly homework – the expectation is that the following will be completed every week:**

- Spelling sentences – tested on **Friday**
- Reading 4-5 times a week either independently or to an adult
- Learning/revising times tables – on **Wednesdays**
- One activity chosen from the selection below – **handed in on Wednesday**

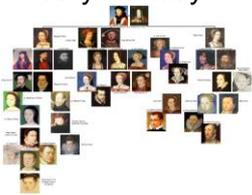

To support year 6 with the transition to secondary school and also to start their SATs preparation, they will be receiving additional homework each week. This will be set on Fridays and due in on Wednesdays.

## Half termly homework

Please see below a range of homework activities. The expectation is that you choose one activity to complete each week. **The 'green' activities must be completed by Wednesday 3<sup>rd</sup> October.** If you find one week is not enough for an activity, then please let us see your work in progress each Wednesday. Obviously you may complete more than one activity each week.

The best homework goes on the 'Window of Wonderful homework' – your work should always reflect your best efforts and should always be presented neatly.

<p>Produce a fact file about one of the British monarchs.</p> 		<p>Calculate how many years each monarch reigned for and put them in order of the length of their reign.</p> 
<p>Write a diary entry as if you were King/Queen for the day. Be creative and imaginative. You can choose which monarch you are.</p>	<p>Choose a poem to perform to the class off by heart. Think about how you use your voice.</p>	<p>Draw a timeline showing the Kings/Queens of Britain since 1066.</p> 
<p>Draw a family tree of the living Royal family.</p> 	<p>Copy a portrait of a British monarch. This carefully about your use of colour.</p>	<p>Free choice! Produce a piece of homework that links in some way to our lessons this half term – look at the curriculum letter.</p>
<p>A card game to play with your family or friends - <a href="http://nrich.maths.org/1193">http://nrich.maths.org/1193</a> Record your scores and hand them in.</p>	<p>Imagine 24 hours without electricity. How would your day be different? Write a diary entry describing your day.</p>	<p>Produce a poster which includes tips on how to choose a safe password when online.</p>

*If you need any help with any of the tasks, please ask.*
